

## **IWAS DEVELOPMENT GRANT APPLICATION FORM FOR: HOSTING AN IWAS WHEELCHAIR FENCING SATELLITE COMPETITION**

### **Introduction**

An IWAS Development Grant is available to provide assistance with hosting an IWAS Wheelchair Fencing Satellite Competition, during 2017-2018.

The allocation of the IWAS Development Grant to the Competition Organiser is at the sole discretion of IWAS.

The Organiser must have fulfilled all of the criteria set out in the application and any other guidelines requested by IWAS during the application process. Organisers must comply with the information given in the "IWAS Wheelchair Fencing Satellite Competition- General Information".

The IWAS Development Grant is for use in the following areas; travel for IWAS officials, equipment and Classification. A portion of the Grant must be used for assisting athletes from developing Nations with their travel, board, accommodation or competition fees. Any other items must be approved by IWAS before any grant is awarded.

The successful applicant must provide IWAS with all details of the use of the grant including copies of any receipts and invoices. The Grant may be paid to either the IWAS Member or the Organising Committee of the competition (as appropriate) in two halves, as agreed by IWAS.

### **Grant Criteria:**

Applicants must;

1. Be a member of IWAS
2. Provide a suitable (wheelchair accessible) venue for the competition.
3. Provide wheelchair accessible accommodation, where required.
4. Demonstrate ability to increase the participation of juniors/senior level participation.
5. Provide evidence from Nations who have expressed their intention to compete.
6. Ensure that all competition requirements set out in the "IWAS Wheelchair Fencing Satellite Competition – General Information", or as agreed by IWAS can be met.

Grant submissions which can demonstrate increased participation by developing Wheelchair Fencing Nations and/or increased participation by Junior and Senior fencers, will be viewed favourably.
